Designs which require more than one rework and resubmission, or is extraordinarily complex, will require an additional design / setup fee which we will quote on a case-by-case basis.

ACI stocks primary colors in silkscreen inks and adhesive vinyl's.

Custom or PMS ( Pantone Matching System ) colors may require an additional charge.

Please include an actual sample of the color for reference as not all colors can be matched exactly, we will match a color as closely as possible. Color blends and or gradient fills are not reproducible with our production methods.
