

WMCNC Wood Engraved Plaque

Beautiful CNC (Computer Numerical Control) machine engraved, solid wood plaques make the perfect retirement gift. Available in a variety of shapes and sizes, prices start at \$55.

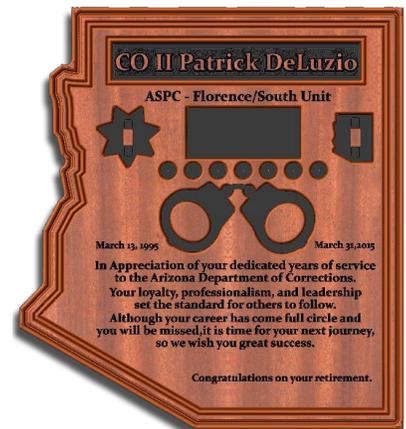

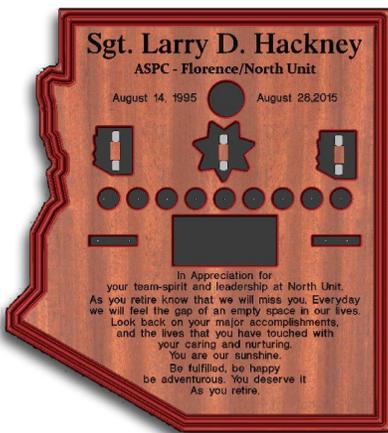

Simply complete the Order Worksheet and fax it to ACI Customer Service at 602 272-1007 and we will put together an estimate of your total cost.

Orders take two (2) weeks to fulfill, once all materials are received, all relevant information is provided (see Worksheet), and you have signed the proof.

Once the shop has enough information to create a proof of your plaque, it will be faxed to you for approval so be sure to include a fax number or email on the Worksheet.

If your plaque includes attachments, like badges, pins, etc. they will need to be provided within one (1) week of receipt of signed proof.
