Strength 24/7

comfort, 400 lbs performance

If you're looking for a chair designed for maximum comfort and built with industrial strength components, Magnum is the chair for you.

The reinforced version of the original Viper chair, the Magnum is capable of comfortably holding 400 pounds for 24-hours 7 days a week. A chair designed with larger and bigger requirements than what the industry currently expects.

Clean. Sharp. Simple. Magnum celebrates the individual, following the lines and shapes of the body. The unmatched soft upholstered seat and fully adjustable lumbar support far surpass your comfort needs. The ergonomic roots are matched by aesthetics that make the Magnum suitable for office, operational and industrial use.

Mesh Back

Contours and supports the back for maximum ergonomic support. Mesh material allows for ventilation and the dissipation of body heat.

Fully Adjustable Arms

Armrests with soft rotating arm pads can be adjusted into a number of positions. Arms can easily be removed for larger users.

Adjustable Lumbar Support

The backrest angle and tension can be adjusted for your comfort. The lumbar support assists to reduce stress on the body.

Industrial Strength

Greatly strengthened components enable the chair to be used in extreme conditions. This chair is built for longer hours and larger loads.

Upholstered Seat

Soft and plush, the comfortable upholstered seat provides longer hours of comfortable sitting. The waterfall front edge of the seat helps reduce stress to your legs.
