versatile seating

for here, there and everywhere

How best to describe a chair that makes seating what it should be—simple? A chair that works in your office, or in a conference room, or in that small space you call a huddle room, and has the appealing looks and comfort features you expect from a more expensive chair?

PL7902T

We call it the Polo: It's the chair that's simply resourceful, fitting different people, different needs, and even different rooms. Polo is available as a chair—with or without a headrest, and as an adjustable stool. All affordably priced to fit your budget. And it's made by Valo—where style, comfort and value are intricately woven to create furniture that works for you.

Mesh Back

Mesh material allows for ventilation and the dissipation of body heat. Contoured back allows for natural seating position.

Lumbar Support with EZ Adjust Knob

Allows for easy adjustment of the lumbar support in depth to support the lumbar of each and every individual.

Upholstered Seat

Soft and plush, the comfortable seat lets you sit for longer hours. The waterfall front edge of the seat helps reduce stress to your legs.

Fully Adjustable Arms and Back

Infinite number of adjustable locking positions of the back angle for comfort which reduces stress on the body. Soft-padded armrests rotate, adjust in height and width, and lock easily into position.
